February 2018 Newsletter

On February 22, 1732, George Washington was born in Virginia. No one knew that this boy would one day be the leader of a new country. His impact was so immense that in 1885 Congress established "Washington's Birthday" as a national holiday. From 1885 until 1971, this holiday was celebrated each year on February 22. However this changed in 1971 when the name was changed and it was moved to the third Monday. This was as a result of the 1971 Uniform Monday Holiday Act. This act was organized in an attempt to create more three-day weekends. The holiday was also renamed "Presidents Day" in honor of all Presidents who have served our country. Other Presidents born in February are William Henry Harrison, Abraham Lincoln, and Ronald Reagan.

All of us at Salina Concrete Products (SCP) appreciate the service of our commanders-in-chief for the past 200 plus years. However, with this said **SCP WILL be open for business as usual on Presidents Day.**

If you do come into the SCP office on Presidents Day or any other day of the week, you are likely to encounter two new SCP employees. These new employees are Robbyn Anglin and Dawn Smith.

Robbyn Anglin is working for SCP as the dispatcher and inside sales representative. He will wear many other hats while working for SCP as well. Robbyn brings with him an extensive track record of dispatching service. Prior to working for SCP he was a dispatcher for over two decades. Robbyn has worked as an assistant store manager for a large retail outlet in Salina for many years as well.

Dawn Smith is working for SCP as an office administrator and inside sales representative. She too will wear many other hats while working for SCP as well. Dawn has over two decades of past work experience with engineering firms in the region. Dawn has also been active within the community serving multiple non-profit groups.

All of us at SCP are excited to have Robbyn and Dawn join the SCP team! Please feel free to stop by the office if you have a minute to meet Robbyn and Dawn. As always we thank you for your continued business and support!

Best Regards,

Peter Browning
General Manager
