March 2018 Newsletter

For many Americans if they were asked to **describe the month of March in one word it would be “Madness.”** This “Madness” is a result of the NCAA Men’s Basketball Tournament spanning three weeks in the month of March. Since Oregon won the first tournament in 1959 it has grown exponentially. Many facts show that this event is truly “Madness” in more ways than one. In 2016 the NCAA profit from the tournament was \$1 billion. The American Gambling Association estimates the number of brackets completed at 70 million and \$9.2 billion to be gambled on the event. It is estimated that 81.5 million employees will lose at least one hour of work productivity as a result of the tournament. This lost time has an estimated loss of productivity to employers’ accounting for \$2.1 billion per hour. The viewership for the 2017 Championship game between North Carolina and Gonzaga was nearly 23 million people. UCLA has the most titles with 11 and Kentucky is second with 8. Kansas has 3 titles, 14 Final Four appearances, and an overall tournament record of 104-45. Kansas State has 4 Final Four appearances and an overall tournament record of 34-33.

In addition to “Madness,” March also brings the Farm Show to Salina every year. **The 2018 Farm Show will be held at the Tony’s Pizza Event Center March 27th-29th.** Salina Concrete Products (SCP) will be displaying many of our products at this year’s show. There is no charge for attendance and show hours are from 9-5. SCP will be providing multiple Spring Specials for customers at the show as well. Please come and see our displays and learn about the unique packages that will be made available. Ken and Greg will be on hand and can answer any questions that you may have.

All of us at SCP wish you the best of luck as you join the other 70 million Americans filling out your brackets this year. As always we thank you for your continued business and support!

Best Regards,

Peter Browning
General Manager
